SECTION I- INTRODUCTION TO SUMMARY OF BENEFITS

This booklet gives you a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. YOU HAVE CHOICES ABOUT HOW TO GET YOUR MEDICARE BENEFITS

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan, such as **Providence Medicare Compass + RX (HMO-POS)** or **Providence Medicare Latitude + RX (HMO-POS)**

TIPS FOR COMPARING YOUR MEDICARE CHOICES

WHO CAN JOIN

To join **Providence Medicare Compass + RX (HMO-POS)** or **Providence Medicare Latitude + RX (HMO-POS)** you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in Oregon: Crook, Deschutes, Hood River, Jefferson and Wheeler.

Providence Medicare Compass + RX (HMO-POS) or **Providence Medicare Latitude + RX (HMO-POS)** cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

Providence Medicare Compass + RX (HMO-POS) and **Providence Medicare Latitude + RX (HMO-POS)** have a network of doctors, hospitals, pharmacies, and other providers. For some services you can use providers that are not in our network.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

WHAT DO WE COVER?

Like all Medicare health plans, we cover everything that Original Medicare covers and more.

- **Our plan members get all of the benefits covered by Original Medicare.**
- **Our plan members also get more than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs on our RX plans. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.providencehealthassurance.com
- Or, call us and we will send you a copy of the formulary.

HOW WILL I DETERMINE MY DRUG COSTS?

Our plan groups each medication into one of five “tiers”. You will need to use your formulary to locate what tier your drug is on to determine how much each will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Later in this document we discuss the benefits stages that occur after you meet your deductible as applicable: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

If you have any questions about this plan’s benefits or costs, please contact Providence Health Assurance for details.

You can see our plan’s Provider and Pharmacy Directory at our website:

www.providencehealthassurance.com/providerdirectory or, call us and we will send you a copy of the Provider and Pharmacy Directory.

Coverage Gap	<p>Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for the drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$3,750. After you enter the coverage gap, you pay 35% of the plan’s cost for the covered brand name drugs and 44% of the plan’s cost for covered generic drugs until your costs total \$5,000, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p>		
Catastrophic Coverage	<p>After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$5,000, you pay the greater of: 5% of the cost or \$3.35 copay for generic (including brand drugs treated as generic) and an \$8.35 copay for all other drugs.</p>
