

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [www.ProvidenceHealthPlan.com](http://www.ProvidenceHealthPlan.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.cciio.cms.gov](http://www.cciio.cms.gov) or call 1-800-878-4445 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<b>In-Network: \$3,000</b> /per person <b>\$6,000</b> /per family (2 or more). <b>Out-of-Network: \$6,000</b> /per person <b>\$12,000</b> /per family (2 or more).	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family member on the policy, the overall family <a href="#">deductible</a> must be met before the <a href="#">plan</a> begins to pay.
Are there services covered before you meet your <a href="#">deductible</a> ?	<b>Yes.</b> Most preventive care services in-network.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the annual <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain preventive services without cost-sharing and before you meet your <a href="#">deductible</a> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	<b>No.</b>	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<b>In-Network: \$5,500</b> /per person <b>\$11,000</b> /per family (2 or more). <b>Out-of-Network: \$11,000</b> /per person <b>\$22,000</b> /per family (2 or more). Family plans have a <b>\$7,150</b> per person annual limit on cost sharing.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, penalties, copays for adult vision services, services not covered, fees above UCR.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <a href="#">network provider</a> ?	<b>Yes.</b> See <a href="http://www.ProvidenceHealthPlan.com/providerdirectory">www.ProvidenceHealthPlan.com/providerdirectory</a> or call 1-800-878-4445 for a list of network providers.	This <a href="#">plan</a> uses a <a href="#">provider</a> network. You will pay less if you use a provider in the <a href="#">plan</a> 's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your <a href="#">plan</a> pays (a balance bill). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	<b>No.</b>	You can see the specialist you choose without a referral.

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
